Key Considerations

- This closure request is for the unimproved and unpaved Old Hargraves Road per the attached map.
- Closure requested by property owner of 201 Hillcrest Street and 1100 Roosevelt Dr.
- 17 parcels (15 owners) border this right-of-way. Town Staff and the Request have discussed closure with a majority of owners.
 - No objections from adjacent parcel owners have been received for this request.
- Closing the subject public right-of-way will not deny access to adjacent properties.
- Neither the Town nor OWASA have a need for this right-of-way.
