## **DISCUSSION**

The Commission should discuss whether the work proposed by the Applicant is or is not incongruous with the special character of the Franklin-Rosemary Historic District. The Applicant has plans, renderings, and photos of the stone wall, patio, and fence, their materials, and locations, which the Applicant asserts shows that the proposed project is not incongruous with the character of the Franklin-Rosemary Historic District.

If the COA is granted for the exterior change, the applicant would then be required to obtain any necessary zoning compliance and building permits from the Town.
