Responses to Council Questions

ITEM #15: Consider Land Use Management Ordinance Text Amendment - Proposed Changes to Table 3.7-1: Use Matrix - Self-Storage Facility, Conditioned

Council Question:

How would approval of this amendment affect the application submitted by Optimal Ventures, LLC for the Putt Putt Fun Center?

Staff Response:

The current application for the Putt Putt Fun Center proposes OI-2 zoning with at least a portion of the site to include a PD-MU overlay. If the text amendment passes, the applicant could proceed with their current proposal, or they could modify the proposal to incorporate the self-storage aspect of their application to fall under the PD-MU overlay. It would give them one new option to consider.
