ITEM #6: Receive Upcoming Public Hearing Items and Petition Status List

Council Question: On p. 134, under the petition request to make tiny homes a legal and affordable housing option, what information has been shared with petitioner, when staff met with her?

Staff Response: *When Planning and Housing and Community staff met with the tiny house petitioner, she provided an update on the research she had conducted related to tiny homes. Staff shared with her our preliminary thinking regarding additional research and analysis that we would conduct in response to the petition.*
