

Town of Chapel Hill Community Survey

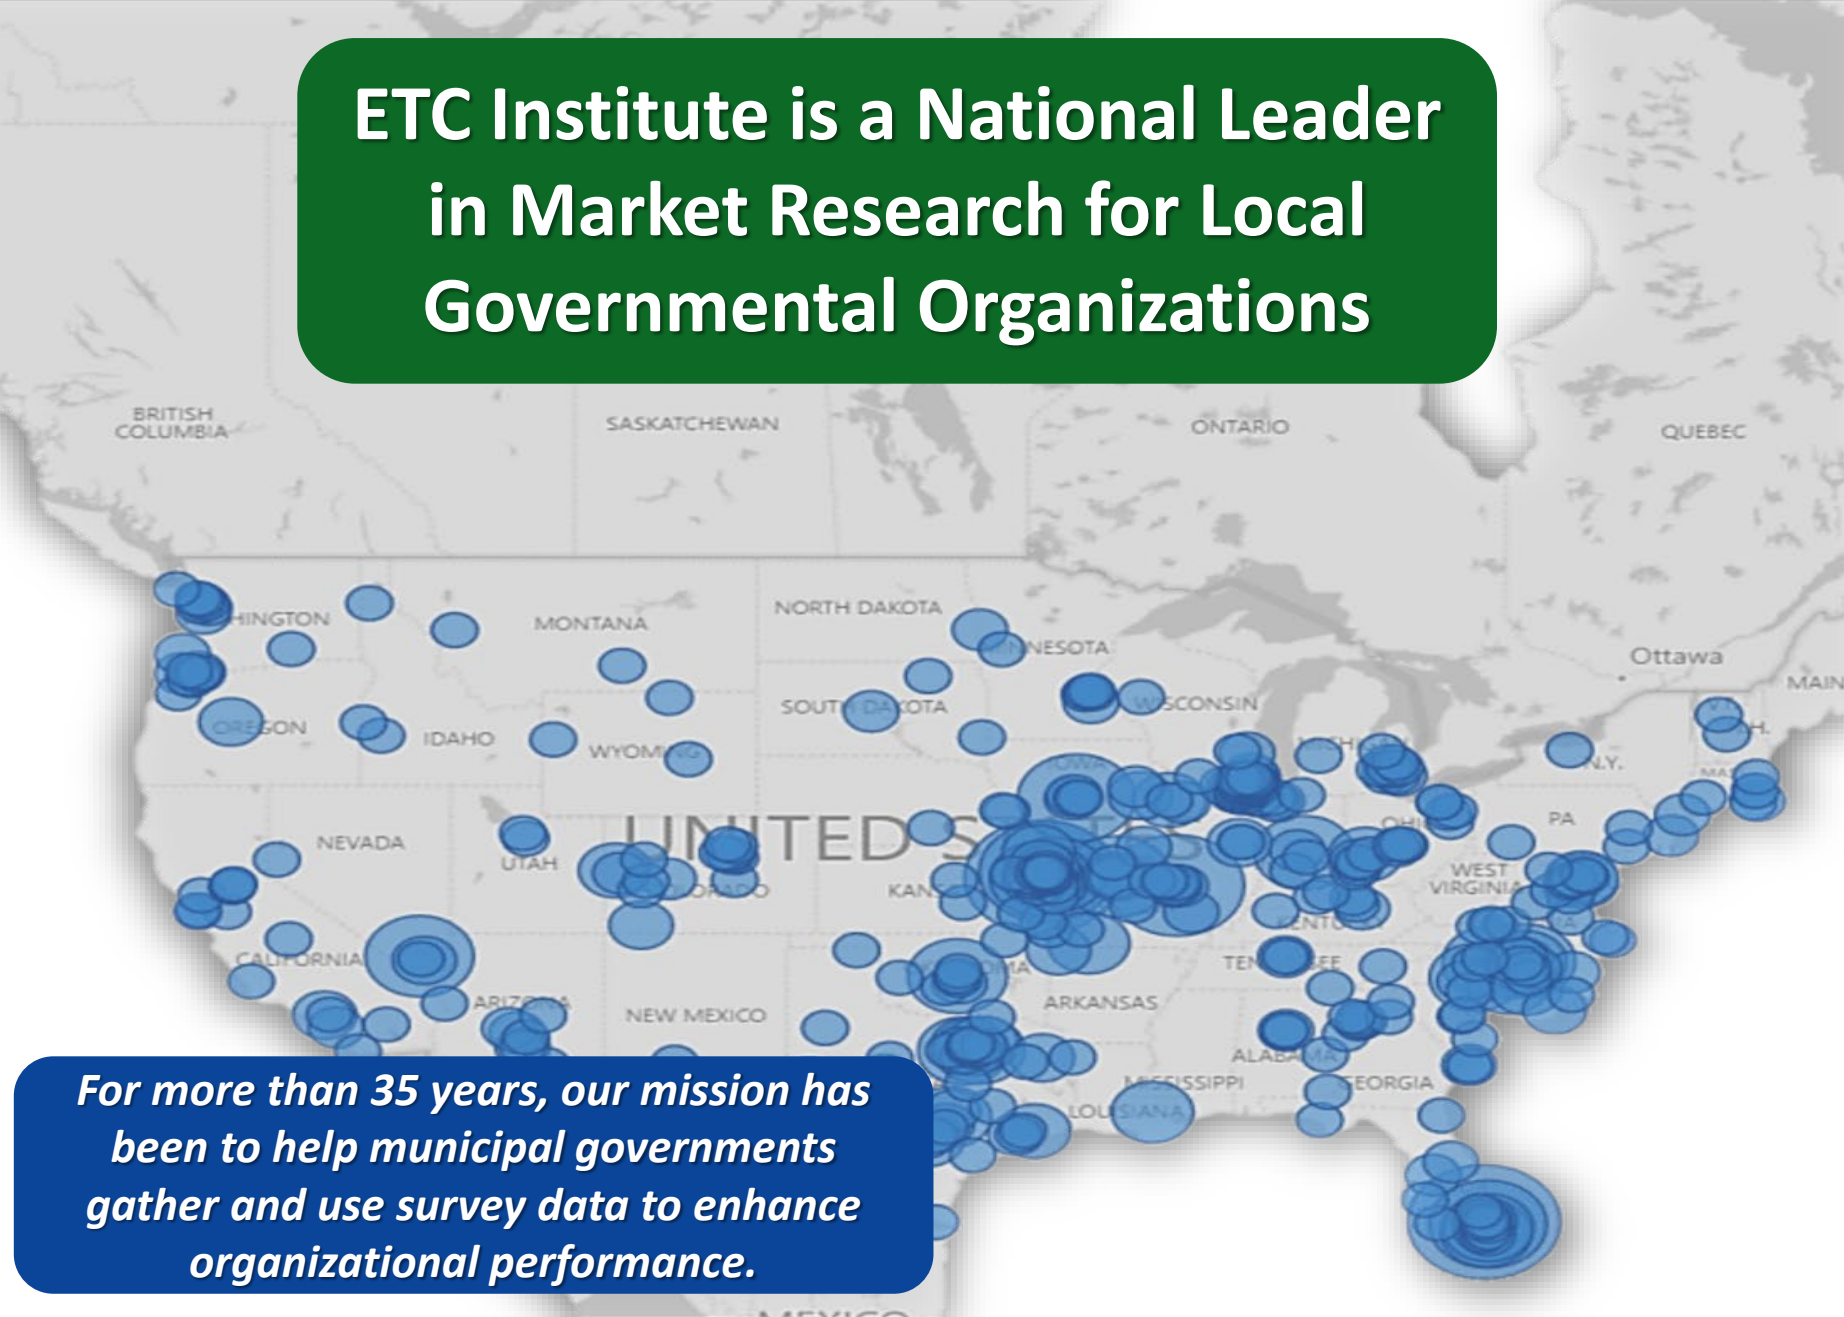

PRESENTED BY ETC INSTITUTE 

**Since 2006,
ETC Institute
Has,
In More Than
1,000 Cities
&
49 States,
Surveyed
More Than
3,000,000
Persons.**

**ETC Institute is a National Leader
in Market Research for Local
Governmental Organizations**

*For more than 35 years, our mission has
been to help municipal governments
gather and use survey data to enhance
organizational performance.*

Purpose

Objective assessment of the delivery of Town services to residents

Track trends in your performance over time through past surveys (2021-2022, 2019-2020, or 2018 depending on survey design and question selection)

Provide regional and national comparisons to contextualize the results (Atlantic Regional Average of U.S. Average)

Identify areas where the Town can make improvements to increase overall satisfaction

Methodology

Survey Description

- Six-page survey
- Eighth survey conducted for the Town by ETC Institute
- Included many of the same questions that were asked in previous years

Method of Administration

- By mail and online to random sample of households in the Town
- Each survey took approximately 15-20 minutes to complete

Sample Size

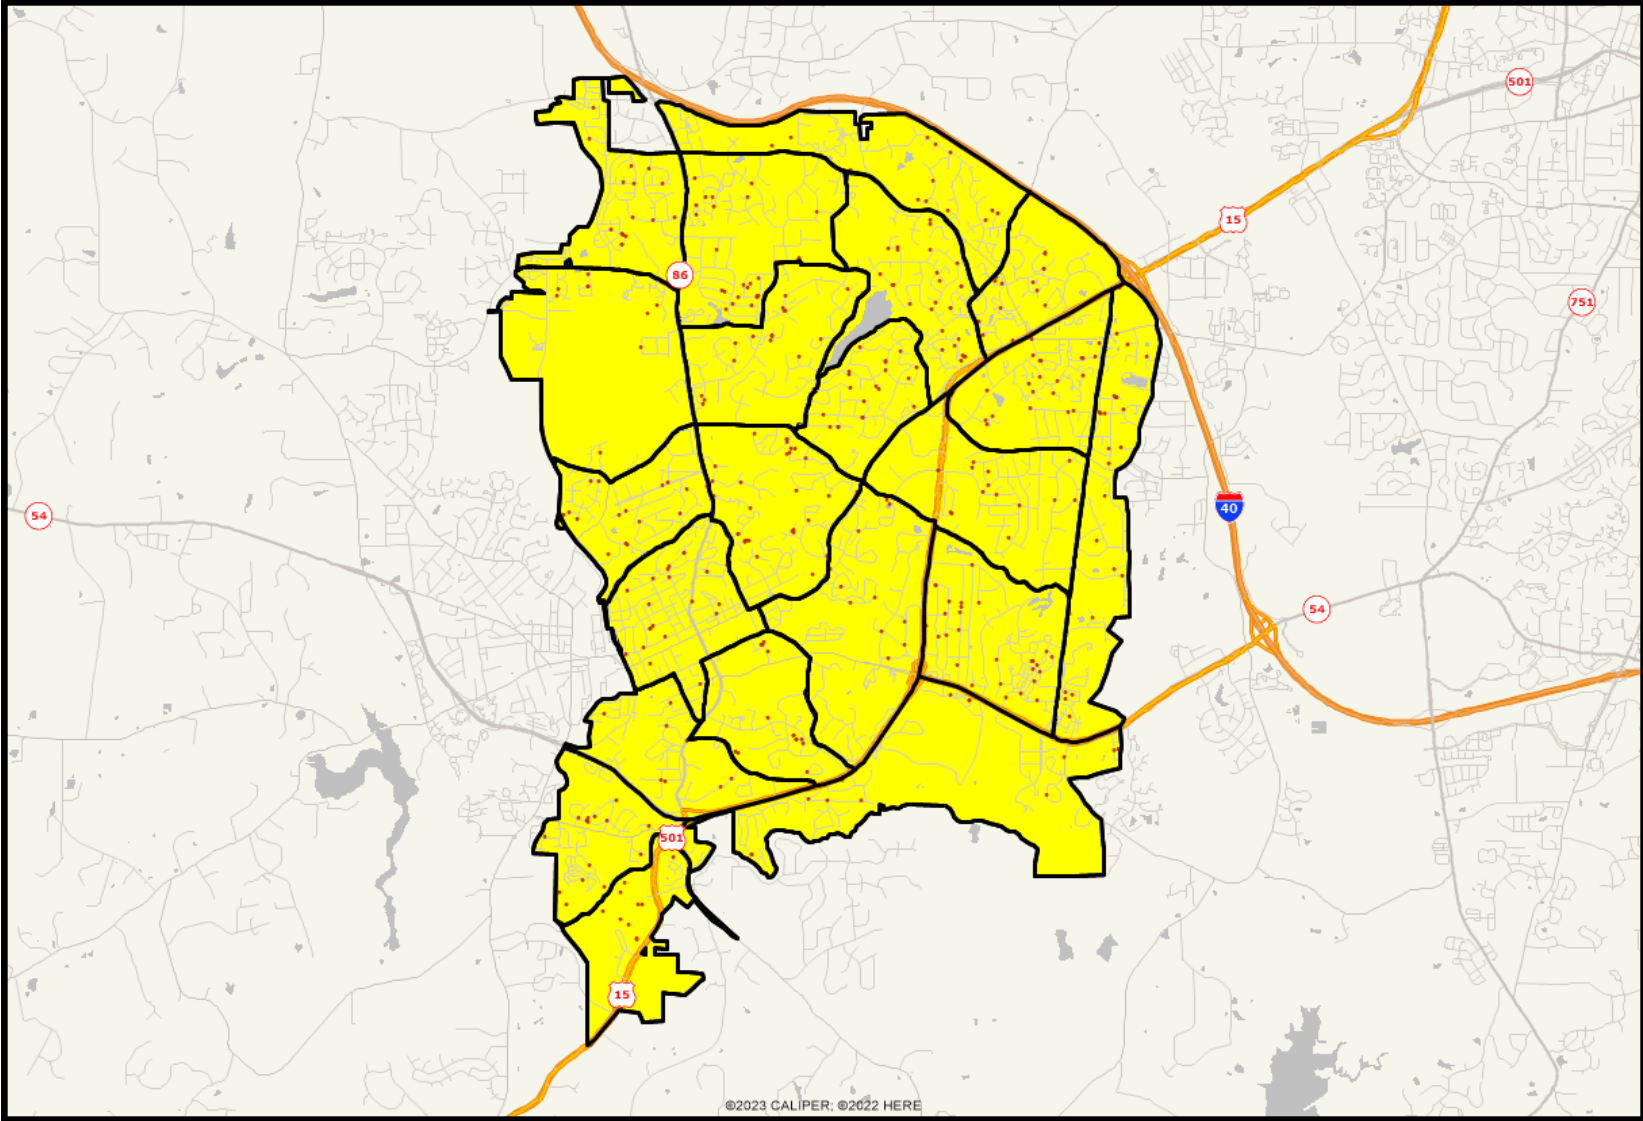

- 401 completed surveys

Margin of Error

- +/- 4.9% at the 95% level of confidence

Location of Survey Respondents

Good distribution of responses from throughout the Town

Town of Chapel Hill Community Survey

(Boundaries by Census Block Group)

Major Findings

Residents still have positive perceptions of the Town, but results are down

- 90% rated the Town as an “excellent” or “good” place to live - down from 93%
- 84% rated the Town as an “excellent” or “good” place to raise children - down from 92%

Chapel Hill continues to set the standard for the delivery of services and the Town is not alone in the downturn of results

- Nationally, core service ratings and perceptions are down across the board – no community has been immune
- Despite this, The Town still rated above the U.S. Average in 33 of the 38 areas (87%) that were compared and rated significantly above the U.S. Average (5 percentage points or more) in 30 areas (79%)

Priorities for improvement changed for the first time in three survey cycles

- Transportation infrastructure (*new*)
- Management of traffic flow (*same*)
- Planning and development services (*new*)

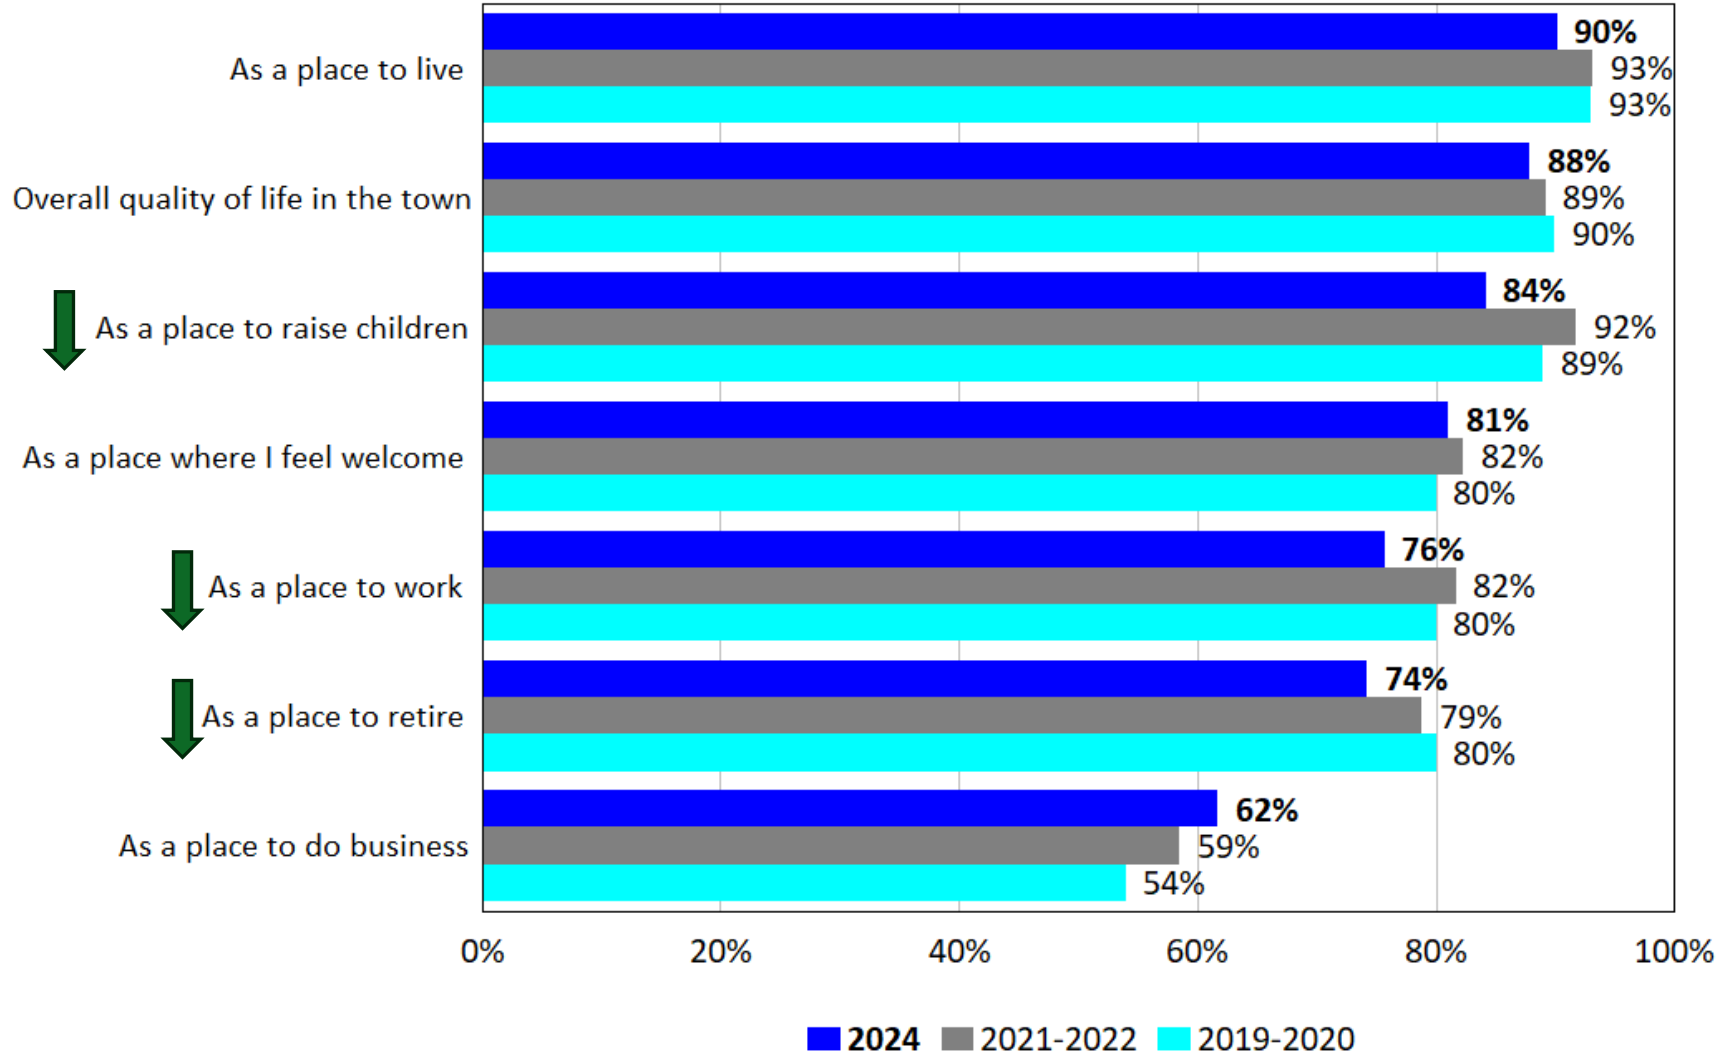

Perceptions

PROVIDING CONTEXT FOR PERCEPTION RATINGS

Q18. Quality of Life

Trends: 2024 vs. 2021-2022 vs. 2019-2020

by percentage of respondents who rated the item as a 4 or 5 on a 5-point scale

Benchmark Summary

HOW THE TOWN COMPARES TO NATIONAL AND REGIONAL AVERAGES

Benchmarks

The 2024 survey contained 38 areas that were directly comparable to ETC Institute's benchmarking database

The U.S. Average is based on a national survey administered during the summer of 2023 to a random sample of over 10,000 residents in the United States

The Atlantic Regional Average is based on a regional random sample of residents from the summer of 2023. Residents were from North Carolina, Virginia, West Virginia, Delaware, Maryland, and the District of Columbia

Any differences outside the survey's Margin of Error of +/-4.9% are considered significant

Comparative Advantages

U.S. AVERAGE

As a place to live (+41.7%)

Trash collection services (+37.3%)

Overall quality of customer service from Town employees (+36.6%)

Police safety, education, and outreach (33.5%)

Yard trimmings collection services (32.4%)

Transit services (31.8%)

Fire safety, education, and outreach (+30.1%)

Public Library services (+27.9%)

Access to timely emergency information (+25.1%)

Police services (+24.2%)

ATLANTIC REGIONAL AVERAGE

Overall quality of customer service from Town employees (+39.7%)

As a place to live (+32.2%)

Yard trimmings collection services (+30.0%)

Trash collection services (+28.7%)

Fire safety, education, and outreach (+25.5%)

Acceptance of diverse populations (+24.3%)

Access to timely emergency information (+23.6%)

Transit services (+23.6%)

Public Library services (+21.6%)

Police safety, education, and outreach (+21.4%)

More than 25 of the areas assessed rated significantly above the U.S. and Regional Averages

Comparative Disadvantages

U.S. AVERAGE

Management of traffic flow (-17.0%)

Town code and ordinance enforcement (-10.6%)

Access for persons with disabilities to Town facilities & services (-6.3%)

(65.8% of respondents did not provide a response)

Adequacy of street lighting (-5.6%)

ATLANTIC REGIONAL AVERAGE

Management of traffic flow (-21.3%)

Management of stormwater runoff (-17.3%)

Visibility of police in neighborhoods (-9.0%)

Access for persons with disabilities to Town facilities & services (-8.9%)

(65.8% of respondents did not provide a response)

Adequacy of street lighting (-7.5%)

Town code and ordinance enforcement (-7.4%)

Transportation infrastructure (-6.8%)

Maintenance of streets (-4.6%)

Only 12 the areas assessed rated significantly below either the U.S. and Regional Averages

Priorities for Improvement

BASED ON THE IMPORTANCE-SATISFACTION ANALYSIS

Q1. Major Categories of Services

by percentage of respondents (excluding don't knows)

The top priorities for improvement are highlighted – all had elevated “dissatisfied” responses

Q2. Major City Services That Should Receive the Most Emphasis from Town Leaders

by percentage of respondents who selected the item as one of their top three choices

The top priorities for improvement are highlighted – they are the three most important items

2024 Importance-Satisfaction Rating

Chapel Hill, North Carolina

Major Categories of Town Services
