I attend church at Holy Trinity Anglican, which is across the street from Southern Village. We really need a crosswalk there. I live less than a mile away, but we cannot ride our bikes or walk to church because we cannot safely cross the very dangerous highway with our two small children. This leads to unnecessary carbon emissions by driving our car (round trip multiple times a week) and clogging up the church's limited parking space, not to mention decreasing our activity level. Please give us a crosswalk there so we can cross safely and take advantage of the beautiful Chapel Hill trails on our way to church.

Best,
Cherec
