

Town of Chapel Hill

Mayor's Salute

October 2, 2019

Colleen,

On behalf of the Town of Chapel Hill, I wish to honor and celebrate you for your contributions to Chapel Hill - especially as the founder and driving force behind the amazing TerraVita Food and Drink Festival.

Over the past ten years, Chapel Hill has been proud to play host to TerraVita and to welcome top chefs, industry experts and food lovers from across the region to our Town.

We are grateful for the passion and hard work you have put into making TerraVita a celebration of food excellence, earth-friendly food practices and healthy eating.

And, we are thankful for the contributions the festival has made to local non-profit organizations.

We wish you all the best in your future endeavors.

Sincerely,

Pam Hemminger
