

University Place Special Use Permit Modification

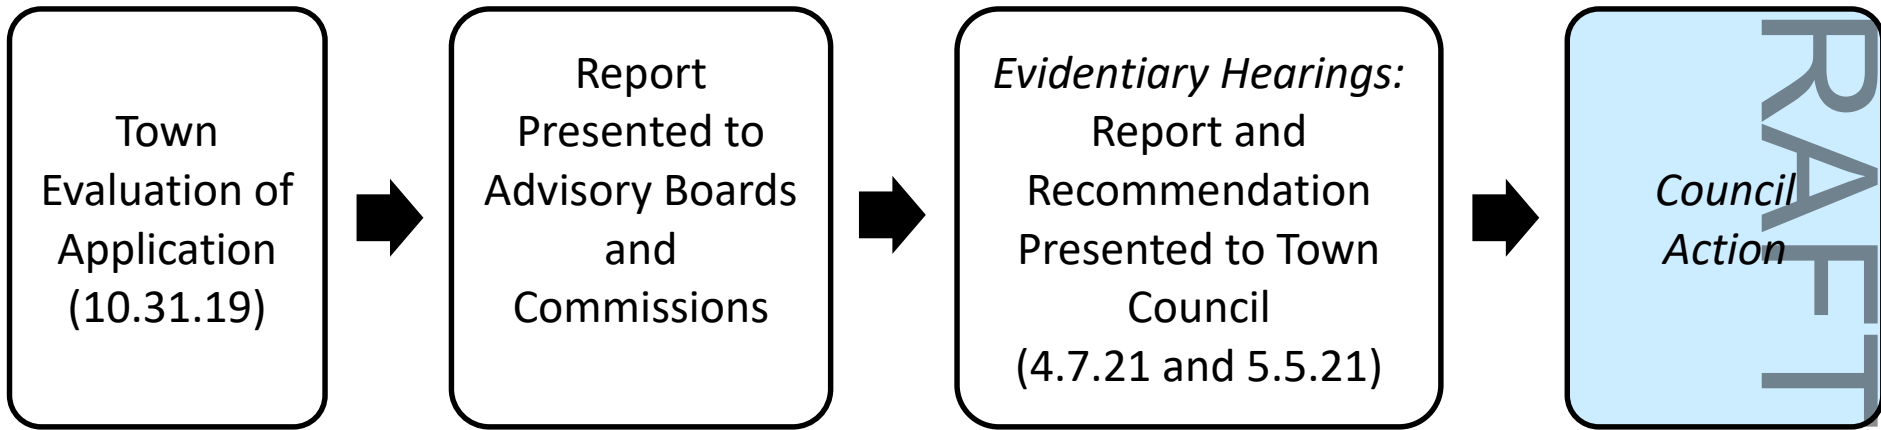

Town Council
June 9, 2021

DRAFT

Consider Adoption of Resolution of Consistency and
Enactment of Ordinance A.

DRAFT

University Place – Review Process

4.5.2 Standards and Findings of Fact.

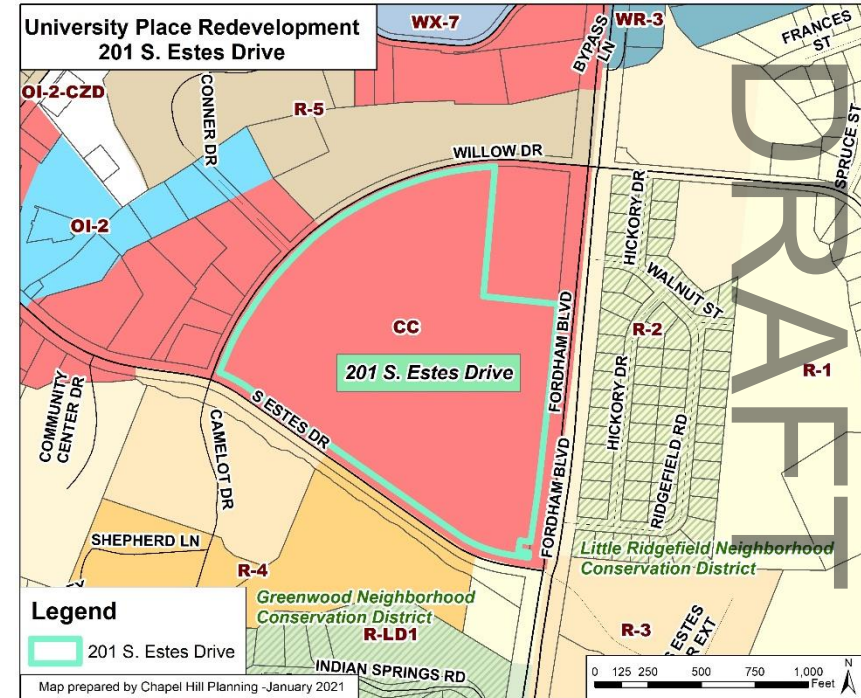

1. That the use or development is located, designed, and proposed to be operated so as to maintain or promote the public health, safety, and general welfare;
2. That the use or development complies with all required regulations and standards of this chapter, including all applicable provisions of articles 3 and 5, the applicable specific standards contained in the supplemental use regulations (article 6), and with all other applicable regulations;
3. That the use or development is located, designed, and proposed to be operated so as to maintain or enhance the value of contiguous property, or that the use or development is a public necessity; and
4. That the use or development conforms with the general plans for the physical development of the town as embodied in this appendix and in the comprehensive plan.

DRAFT

University Place– Project Summary

The proposal defines uses and building area within a phased block plan, paired with Design Standards, that will influence the development. No exact building layout is proposed at this time. The applicant has proposed limited uses as compared to what is permitted by the Community Commercial (CC) zoning designation.

- Floor area: up to 810,914 sq. ft.
- Land area: 43.4 acres
- Current zoning: Community Commercial (CC)
- Permitted Uses, outlined in the Design Standards, include residential, office, hotel, commercial, and wireless communication facilities.
- The Transportation Impact Analysis conveys impacts related to each phase of the project build-out

University Place— Existing Conditions

DRAFT

- Multi-family conversion rights

Commercial	350,000 sq ft		100,000 sq ft
Residential	255 units		45 units
Office		50,000 sq ft	100,000 sq ft
Hotel			150 Rooms

DRAFT

University Place—Proposed Changes

- Pod A –Existing surface parking to become a dense multi-use w/ new parking structure
- Pod B–±295,000 SF of existing commercial to be renovated. Conversion of interior mall space into exterior Space with enhanced outdoor amenity and green spaces
- Pod C- Demo of portion of mall. To be focused around central park/ green space. Will be pedestrian focused flanked by urban ‘main streets’
- Pod D-Existing parking area. Limited due to the floodplain. There may be redevelopment of a few existing buildings, which include banks and gas station.
- Pod E – Existing bank, currently under review for a zoning compliance permit for a demo and rebuild.
