**Subject: Verizon Wireless Proposed Site #421310, Caro Square - Franklin Condominiums, Chapel Hill, NC**

Dear Mr. Karpinos,

I am writing in relation to the proposed installation of the Verizon Wireless Rooftop Antenna at 140 West Franklin Condominium. An area of 12" x 16" will be leased to Verizon for installation of a rooftop platform and unmanned Communications equipment.

The purpose and benefits of the installation will be to improve cell coverage in Chapel Hill.

Attached please find approved copies of following from the Community Design Commission and the Chapel Hill Planning Department:

- Zoning Approved Plan Set
- Certificate of Building Elevations
- Permit for Wireless Communications Facilities

We asked these matters be submitted to the Town Council at the next appropriate opportunity.

Sincerely

  
Keh Broun

President, 140 West Franklin Condominium
