Subject: Item 11: Greene Tract considerations: REMOVAL
Importance: High

You have a long and complex agenda of items for discussion tomorrow night. In discussing this agenda with Mayor Pro Tem Anderson, we have decided it would be best to remove the Greene Tract item and defer until another meeting, hopefully before July. Some of these issues are complicated and I believe an informed discussion will produce better feedback for an ultimate discussion with the County and Carrboro.

I have communicated this change to County Manager Bonnie Hammersley. If you have questions, please let me know.
