

**05-24-2023 Town Council Meeting
Responses to Council Questions**

ITEM #4: Amend Chapter 21-13 of the Town Code of Ordinances to Include an All-Way Stop at the Intersection of Henderson Street and North Street

Council Question:

Is there a change that can be made to our ordinances/procedures such that items like this do not need to come to Council, but can be handled administratively?

Staff Response:

Council can provide the Town Manager and staff the authority to make changes in the ordinance as it relates to changes in traffic patterns and other traffic-related items of interest. Neighboring communities such as Durham, Raleigh, and Cary allow staff to place stop signs and set speed limits without Council approval. If Council desires to proceed with this interest, staff will prepare and bring an ordinance for Council's review and approval in the Fall.
