

05-01-2019 Town Council Meeting
Responses to Council Questions #1

ITEM #6: Charting Our Future - Future Land Use Map Refinement and Consideration of the Blueprint for Designated Focus Areas

Council Question: This is a more technical question, but will a table of contents be provided with the final version of the FLUM document?

Staff Response: *Yes, the final version of the FLUM will include a table of contents as well as an explanation of the FLUM's components.*
