

## 02-19-20 Town Council Meeting Responses to Council Questions #1

### **ITEM #7: Receive Upcoming Public Hearing Items and Petition Status List**

#### **Council Question:**

On the status of petitions page, can we give the public an estimated timeline of when staff will have information gathered for the request? A lot of them only say that staff is preparing information.

#### **Staff Response:**

*We aim to provide petitioners with a timeline whenever possible, although the timeline for response can vary depending on the nature of the request. We are working on revising the process for petition response, including assigning additional staff resources to managing the responses and communicating with petitioners.*
