What is DACA?

- Deferred Action for Childhood Arrivals (DACA) was established in 2012 to provide “deferred action” from deportation proceedings and eligibility for work authorization to eligible undocumented childhood arrivals
- An individual must prove they meet certain criteria
- In September of 2017, the Trump Administration rescinded DACA
- In January of 2018, a federal judge ordered that the U.S. government keep DACA on the same terms and conditions that were in effect before the September rescinding of DACA

Town Support of DACA Recipients

- September 2017 Council Resolution to support DACA recipients
- Staff evaluated the scope of the impact on residents
- Town partnered with Carrboro and El Centro to evaluate how to support community members impacted by DACA recension
- Town co-sponsored community meetings and legal clinics for DACA renewal
- Staff continued to monitor national discussion about DACA and determine other options for support
