

SCHEDULED PUBLIC HEARINGS

This webpage lists public hearings that are scheduled for a *specific Council meeting date*, although periodically, some may be continued to a future date. Public hearings may relate to the Land Use Management Ordinance (LUMO), Residential or Commercial Development, Budget, Transportation, or Housing issues. Meeting materials are posted at [Council Meeting Agendas, Minutes and Videos](#).

Interested in a development project not yet scheduled for Council review? See the [Development Activity Report](#) for the project's current status.
