Projects that End 12/31/2024 or Financially Sustainability

Financial Sustainability response	Code	Rank	Other Funding	Program Income
Program will continue after 2024 using earned income revenue stream. ARPA provides up-front investment to get program off the ground, tweaked, tested, and optimized.	ARPA for implementation costs only	1	No	Yes
ARPA funding is for implementation costs. Ongoing costs after 12/31/2024 will be minimal and funded through other methods.	ARPA for implementation costs only	2	NC Partnership for Children (SmartStart)	No
One-time, will not need any future funding. This program has been funded by other revenue sources for 12 years and will continue to be funded that way after ARPA but ARPA funds will allow an expansion of the program's capacity. PORCH undergoing strategic plan to increase fundraising.	Project complete by 12/31/2024	3	Orange County, Low-Income Household Water Assistance Program, NC HOPE Program, Donor-supported Care to Share, Other Assistance	No
	ARPA is for expanding the program only	4	Town of Carrboro, Orange County, Foundations, individual donations	No
Program will continue with other revenue - undergoing strategic plan and needs assessment to determine and may include revenue from food sales	Fees or other funds will be needed after ARPA	5	PORCH, Town of Carrboro, Orange County	No

Program will continue, hopefully with a fee for service model as well as other funding.	Fees or other funds will be needed after ARPA	6	Robert Wood Johnson Foundation, Kate B Reynolds	No
Program will continue, hopefully with a fee for service model as well as other funding.	Fees or other funds will be needed after ARPA	7	No	No
Continue with other funding like individual donors, foundations, and local organizations.	Other funds will be needed after ARPA		Bank	No
Continue with other funding like individual donors, foundations, and local organizations.	Other funds will be needed after ARPA		Individual donors, Duke Doing Good, Triangle Community Foundation	No
Program will continue, they would seek County and some town funding moving forward as well as grant opportunities	Other funds will be needed after ARPA		Orange County	No
Programs still in demand will continue using other revenue streams. They are currently developing a fund development plan with a diverse revenue stream.	Other funds will be needed after ARPA		Town of Carrboro	No
Continue with other funding like individual donors, foundations, and government sources. Working on securing multi-year funding from larger funders.	Other funds will be needed after ARPA		Town of Carrboro, Orange County	No
Did not respond			No	No

Program will continue but most likely not at the same level as with ARPA funds. They otherwise use primarily private donors.

Other funds will be needed after ARPA

Town of Carrboro, Orange County, Cameron Charitable Trust, Duke Community Care Fund, Duke Energy, OWASA, Individual donations, First Horizon, Food Lion, Jewish for Good, Strowd Roses, United Way, Carlson Family Foundation, Mary Norris Preyer Fund, Leon Levine Foundation No
