**Responses to Council Questions #2**

**ITEM #2: Christ Community Church Petition Regarding a Concept Plan Review by Council at a Future Council Meeting**

**Council Question:** Are weddings or funeral/memorial services within contemplated uses of the site on Erwin Road for the Christ Community Church?

**Staff Response:** *These are activities that we would typically assume would be held at a place of worship such as the one proposed. We are posing this question to the applicant to provide additional information on this topic.*
