

02-25-2026 Town Council Meeting

Responses to Council Questions

ITEM #4: 2026 Council Meeting Schedule Amendment

Council Question:

Why would the Chamber Annual Meeting be on our official calendar? I understand we often have a quorum, but we don't sit together or discuss Council business.

Staff Response:

The Chamber meeting must be noticed because a majority of Council members will be present. The Clerks have added location details to the calendar on our website to distinguish it from regular Council meetings and avoid confusion.
