

THIS THANKSGIVING, GIVE WATER

CARE TO SHARE DAY

November 21st, 2019

Thankful for what we have, let's raise funds together to ensure local families unable to pay their water bill are not without this vital resource. Every dollar donated to the Care to Share Customer Assistance Program supports neighbors in Carrboro and Chapel Hill in need. Care to Share is administered by the Inter-Faith Council for Social Service.

IT'S EASY TO GIVE:

Through your monthly bill if you are an OWASA customer

OR

With a one-time gift to Care to Share
