Thank you for your correspondence with the Town of Chapel Hill. The Mayor and Town Council are interested in what you have to say. By way of this email, I am forwarding your message to the Mayor and each of the Council Members, as well as to the appropriate staff person who may be able to assist in providing additional information or otherwise addressing your concerns.

Again, thank you for your message.

Sincerely,

Jeanette Coffin

Members of the Town Council,

I am a resident of Cobb Terrace, a neighborhood that can only be accessed by Henderson and North Streets. I wish to express my strong support for the canon sent agenda item which bans trucks on those sections of town streets.

I just received an response from the Mayor saying that she thought that some email support from the neighborhood would be good. Please take a moment to send an email of support of the agenda item approval to the Mayor and TC address shown below.

I am out of town for quite a while and will not have access to good communications equipment at times, so please don't wait for me to take initiative.

This means that it will simply be approved without discussion at the beginning of the meeting unless someone on the Council wants to discuss it (unusual). It doesn't include buses, but does limit sizable trucks. It is certainly better than what we had.

Everyone,

Please consider keeping large trucks and busses from using our street. We have lived on North Street since 1983 and we have seen an increase of traffic over the years. We know the length of the stop light on Rosemary Street has added to this increase especially during early mornings and late afternoons. We do not have sidewalks on North Street; therefore,

pedestrians must walk in the street. Please think about the impact on our neighborhood especially the noise and safety issues.

Sincerely,

Wade and Surada Dansby

Thanx for your support to help us make North St safer by prohibiting trucks. It is a relatively narrow street without sidewalks and it will be easier to negotiate it in a car, on foot or while walking the dog without larger vehicles.

Mayor and Council,

I'm writing to express my support for the measure banning large trucks from utilizing North Street that is on the consent agenda for tomorrow.

It's imperative that we maintain the peace, tranquility, and safety of the existing residential community as the town grows and expands. To that end, we need to keep large commercial trucks on the main streets and off our side streets.

Respectfully Yours,

Rob Dickens, Esq.
