

September 17, 2024

- LUMO Update and issues by Tas
- Special topic: **How should we measure success of the LUMO in terms of Complete Community framework in Chapel Hill?** Specific discussion points will include:
 - What are development goals that should be measured? (for example, housing availability and affordability, access to greenways, walkability, natural area, etc).
 - How do they link to LUMO, if at all?
 - What metrics should the town track?

October 1, 2024 (in person)
