

Meeting Follow-up for Town of Chapel Hill

Tuesday, May 13, 2025

5:00pm – 9:00pm

Chapel Hill Public Library, Room B

Outcome

The purpose of today's meeting is for you to determine how you want to work together as a board and to prepare to successfully onboard a new town manager. The times are approximate and will be adjusted based on the council's needs and interests.

AGENDA

5:00-5:30 pm	Dinner and Welcome
5:30-5:45 pm	Setting the stage What do you want to get out of today? What would you like to see happen? What would you like <i>not</i> to see happen?
4:45-6:15 pm	Your challenge: you campaign as individuals, but you govern as a body Select an image from those provided that reflects how you envision yourselves governing together effectively. What will it look like if you are successful? Share with others why you selected the image.
6:15–8:45 pm	Conflict is about thwarted expectations. No one likes to think things are going to go one way and then they go the other. Establishing a clear understanding of what you expect from one another provides a foundation for a trusting relationship. You will be asked to share what you expect of yourself, fellow council members, the mayor, the mayor's assistant, town manager and staff.
8:45 pm	Reflect on observations, determine next steps
9:00 pm	Adjourn
