SUBJECT: Changing town appointments to Chapel Hill Downtown Partnership Board

DATE: February 13, 2023

On behalf of the Chapel Hill Downtown Partnership Board, I present the following petition to the Town Council concerning the Chapel Hill Downtown Partnership Board appointments.

The board unanimously voted this month to ask the town to reduce the number of seats the Chapel Hill Town Council appoints to the Chapel Hill Partnership Board from four seats to two.

The original founding of the Chapel Hill Downtown Partnership had the town appointing four (4) seats, the university appointing two (2) seats, and then those appointees selecting three (3) more seats. A few years ago, it became clear the Board set up was not adequately representing a diverse set of property and businesses paying taxes into the Downtown Municipal Service District, so the board created an additional four (4) seats. This has created better representation, but we are continuing to search for ways to ensure those paying into district have a voice.

Reducing town appointed seats would put the town on an even footing with the university, would allow the board to move more quickly in filling seats, and would reduce confusion of managing members and applicants through the town clerk. Our board seeks to ensure business owners, property owners, and residents are adequately represented on our board because they pay an incremental tax to fund our organization. If these taxpayers are unsatisfied with our work, they can petition the town to rescind the Municipal Service District.

I've attached our bylaws for your information. Thank you for your consideration.

Sincerely,

Matt Gladdek  
Executive Director

Mimi Hock  
Board Chair
