2. Residency*

3. Message

I am a student from Cary studying at UNC-Chapel Hill leading the campus chapter of Citizens' Climate Lobby, the non-partisan grassroots group that aims to affect climate legislation. Right now we are seeking local governments to call on Congress to take action on climate change by endorsing the Energy Innovation and Carbon Dividend Act, H.R. 763. I would like to discuss possible sponsorship for H.R. 763, and for the Chapel Hill Town Council to consider endorsing the bill like many other cities in NC.
