
Orange County Coordinated Manufactured Home Resident Relocation Strategy

Strategy Overview

1. Engage manufactured home park residents, owners, potential developers and neighbors to allow for the creation of proactive solutions.
2. Develop a menu of housing options for consideration if manufactured home park resident relocation is necessary.
3. Explore possible sites for relocation of residents and/or manufactured homes that meet housing needs of residents.
4. Share resources among local governments and other partners to implement strategies, as appropriate.
5. Develop a coordinated County-wide Rapid Response Team and protocol, building on the Orange County process already in place.
6. Share information and updates, coordinate response with the Orange County Local Government staff team as needed.
