

# Downtown Restrooms

# Restroom Option 1

**Option 1: Open 24-hrs with Security and additional cleaning 7-days/wk**

Total: \$6,134.53/mth for 24-hr security plus extra bathroom cleaning

If we were to account for 24 hours here is the 7-days a week for Security with additional cleaning for the Wallace Deck bathrooms 7-days/week would be \$30/trip or \$909.30/month.

**We would ask for \$6300 per month for 24 hours. (\$75,600 annually)**

# Restroom Option 2

**Option 2: Open 7 a.m. – 12:00 a.m. with portable overnight and two additional cleanings on the weekend**

Total: \$ 180.40/mth with additional weekend cleaning services for bathrooms

If we can get a commitment with CHPD on sweeping and locking the bathrooms at midnight 7-days a week and unlocking on Sunday mornings. We could essentially open the restrooms from 7am-Midnight every day and have just the one-bathroom cleaning per day. We would offer a portable on the top plaza of the Wallace Deck for the overnight hours. If the quote still stands for month to month from Piedmont Portables one portable would cost \$120.40 per month plus any cleaning fees depending on how long, you have it there.

**We would ask for \$1000 monthly for the Porta-potty and extra cleaning. (\$12,000 annually)**
