Subject: Revised resolution: American Legion property
Attachments: AL Agenda Item - 2018.06.27 - Updated Resolution rls0627181438.docx

Please see the attached revised resolution which will also be in your blue folder. I eliminated any reference to specific uses of the property but rather indicate we looked at all uses identified in the public process. The intent of this resolution is to communicate that we have completed the work assigned by the Council but deferring discussion until the Fall for a more complete discussion of the work, give the workload the Council is currently experiencing.

I hope this is responsive to your suggestions. Please let me know if you have comments on the revised resolution.
