ITEM #14: Open a Legislative Hearing to Adopt the Connected Roads Plan as an Amendment to the Town's Comprehensive Plan, Chapel Hill 2020

Council Question:

Since incorporation into the Comprehensive Plan does not have the legal force to mandate actions, will/has the Connected Roadways Plan result in specific policies that can be incorporated into the LUMO as part of the LUMO rewrite?

Staff Response:

Yes. Incorporating the Connected Roads Plan into the Town Comprehensive Plan is meant to set expectations for facilities to be built by developers. The consultant is working on policy recommendations related to road connectivity that we anticipate including in the LUMO rewrite.
