# Property Task Force

## Recommendations

- G-10 Open Space – Mount Carmel Church Rd.,** near the intersection of Bennett Road and Mt. Carmel Church Road 7.37 acres
- Land-bank the property for possible future consideration unless a compelling proposal is made.
  - In the interim continue to manage the property as open space.
- G-11 Southern Community Park Parcels,** 100 Sumac Rd. area 2.7 acres (Approx.) on north side of Sumac Road 1.5 acres (Approx.) on south side of Sumac Road .6 acres (Approx.) inside of the park
- The future use of a portion of this area was addressed in the Southern Village Park and Ride Lot potential scenarios formulated in 2015.
  - There are four parcels in Southern Community Park, totaling approximately 4.8 acres that the Task Force reviewed. Three are within the Southern Village Park and Ride Development Plan adopted in 2015 (see above). No further action on these parcels should be undertaken until a determination about the implementation of the Parks & Recreation Master Plan is made. The fourth parcel, although small (about .6 acres), could be considered for an indoor recreational/cultural arts use.
  - Reserve this property for integration into potential redevelopment of the Southern Village Park and Ride Lot area and/or connectivity with the proposed Obey Creek project over US 15-501. Should these plans not come to fruition, then the parcel could be considered for a community benefit/cultural arts use.
- G-12 Open Space – 1610 US 15-501 South** 12.76 acres
- Land-bank the property until other developments, such as Obey Creek, take place, particularly in light of the fact that there is no OWASA water or sewer service.
  - Consider this parcel for relocation of the park and ride lot should redevelopment of the Southern Village Park and Ride area occur.
