

COMPLETE COMMUNITY STRATEGY

**Staff Update
Town Council Work Session
January 17, 2024**

- **OPERATIONALIZING the central tenets** of Complete Community through the organization
- ▲ **IMPLEMENTING the foundational aspects** of Complete Community as quickly as possible
- **APPLYING the key interests** of Complete Community to land use rules and other decisions

● OPERATIONALIZING

- Staff use the framework to **negotiate, advocate, and advise** throughout development review.
- Staff and Planning Commission use the framework to **review and communicate** about projects.
- Staff are **applying the framework to technical review** of development projects.
- Staff are taking field trips and making site visits for **creative placemaking inspiration**.

IMPLEMENTING

- Beta-testing an **interactive Natural Areas Map** to analyze flood risks, habitats, tree canopy, etc.
- Established the **Office of Mobility & Greenways** to advance Everywhere to Everywhere Greenways strategy
- Gearing up for **Parks & Recreation Master Plan** with RFQ for two-year process

■ APPLYING

- Using Complete Community as **our North Star for LUMO** update
- Leveraging Complete Community as a **starting point for our Comprehensive Plan** update
- Weaving Complete Community into our **budget conversations** with Council
