Subject: FW: RESPONSE REQUESTED: 6/17/24 Advisory Board Ballot

All: We received the following question from a council member: *I can't seem to find the board recommendations for who they would like to appoint in the agenda packet –could you let me know their recommendations?*

Staff Response: There are no advisory board or Council interview committee recommendations. As mentioned in our recent email update about Boards & Commissions, we are using an abbreviated and not-quite-typical process in order to fill a few seats and maintain quorum over the summer months. This is a one-time, stopgap measure. It may be useful for Council to note that staff are recommending 5 incumbents for reappointment and 1 applicant with prior service.

The following are the excerpts from the item overview:

Appointment to the Board of Adjustment

The Board of Adjustment has certain decision-making authority over land development applications. This board has six current and one upcoming vacancy that, if not partially filled, may affect their ability to meet quorum rules and make decisions. The Board of Adjustment quorum is 6 members.

Recommendation(s):

That the Council appoint one applicant who has previously served on the Board of Adjustment.

Appointments to the Historic District Commission

The Historic District Commission has certain decision-making authority over land development applications. This board has one current and three upcoming vacancies that, if not partially filled, may affect their ability to meet quorum rules and make decisions. For the Historic District Commission, the quorum is 6 members.

Recommendation(s):

That the Council re-appoint the two incumbents to the Historic District Commission.

Appointments to the Planning Commission

The Planning Commission has certain decision-making authority over land development applications. This board has one current and three upcoming vacancies that, if not partially filled, may affect their ability to meet quorum rules and make decisions. Planning Commission's quorum is 6 members.

Recommendation(s):

That the Council re-appoint the two incumbents to the Planning Commission.

Appointment to the Orange Water and Sewer Authority Board of Directors.

The Orange Water and Sewer Authority Board of Directors is an autonomous board with one upcoming vacancy. The applicant for reappointment is seeking an officer position for the next term.

Recommendation(s):

That the Council make an appointment to the Orange Water and Sewer Authority Board of Directors.

As always, please let us know if you have questions.
