

## Community Assessor for Town Attorney Assessment Center

Question applies to Community Assessor

The Town of Chapel Hill is hiring a new Town Attorney. In an effort to get the best information about candidates, the Town will be using an assessment center process in June 2020. An assessment center provides the opportunity for a team of assessors to view the candidates in simulated scenarios a town attorney will face. In addition, there is typically a writing exercise and interview. Assessors from each scenario report back to a review committee where the information is analyzed and a recommendation made about the candidates moving to the next step in the hiring process.

The Town Council is interested in selecting between four and six community members to serve as assessors during the two-day assessment center. Community members must be available to serve on both days.
