

Leasing Space for the Chapel Hill Police Department

September 13, 2023

828 Martin Luther King Jr. Blvd.

We have explored combining the Police Department, other functions, and the brownfields remediation into one effort (MSC)

This is an expensive time to build

Municipal Services Center 6/26/2023		Draft SF from Space Needs Study	
ROM - Overall Project Budget			
			Notes:
A. New MSC Building - construction (3 story Municipal bldg)	\$ 67,000,000		Includes Design Contingency Sf used = 77,300
B. Demo Existing Building	\$ 750,000		Existing = 25,000 sf
C. CCP Mitigation (cap, contain, monitor)	\$ 4,500,000		* Figures taken from H&H estimates supplied to EVOKE for their Estimate
D. Site Work (landscaping/connections)	\$ 1,500,000		Trail connections, grading, utilities, stormwater
E. Logistics / PD interim (move out/move in - 24 mos+)	\$ 1,000,000		Assumption 18K sf x commercial rental \$25.50sf plus moving, small fit out, and utilities
% for art	\$ 685,000		1% of building and landscape portions
F.			
	Subtotal	\$ 75,435,000	
<hr/>			
Construction Contingency (10%)	\$ 7,375,000		Based on Constr pieces A,B,C,D
Overall Project Budget Total =	\$ 82,810,000		

\$82.8 M

Escalation(s) - 2023 cost est		Cost Est compounded to midpt of construction
Start 2025	\$ 90,488,722	Historically 2% to 4% per year
Start 2026	\$ 93,203,384	24+ month project
Start 2027	\$ 95,999,486	Assumed 3% per year

Uncoupling the Police Department from the remediation lets both move forward

Police Department

- Move into a new space
- Stop repairing old PD

Brownfield remediation

- Enter Agreement with State
- Prepare for future use

We recommend relocating the Police Department by using leased space

Lease space

- Parkline (former BCBS building)

Remediate
828

- Remediate - interim use
- Plan for future
