Mayor Hemminger and members of the Chapel Hill Town Council,

Attached is an Excel spreadsheet listing the names of people who signed a recent petition in support of temporarily repurposing streets in downtown Chapel Hill so that people have room to move about safely while supporting our local businesses during the COVID-19 pandemic.

I have signed up to speak briefly at your June 3rd meeting to officially present these petition signatures and to thank the Town for its early action to help our community think outside of the box during this uncertain time.
