

09-09-2020 Town Council Meeting
Responses to Council Questions #1

ITEM #24: Receive Wegmans Traffic Calming Report and Consider Authorizing Traffic Calming Improvements

Council Question:

If this traffic calming plan is passed on the 9th, by what month or date, would this traffic calming plan be implemented and completed?

Staff Response:

Stop signs and No Through Truck signs are expected to be installed within two weeks after approval by the Town Council. Other devices (wayfinding signs, electronic speed display signs, and crosswalk markings) will be installed prior to issuance of certificate of Occupancy.
