**A RESOLUTION ESTABLISHING PRINCIPLES OF PROTECTION FOR ENTRANCEWAYS
(2023-04-19/R-8)**

WHEREAS, Chapel Hill and Carrboro have mutually entered into an agreement on establishing an annexation boundary line between the two Towns; and

WHEREAS, Chapel Hill and Carrboro recognize the value of protection of entranceways to preserve the community's character and beauty; and

WHEREAS, Smith Level Road south of Ray Road serves as the boundary line for the University Lake watershed and is important to the general health and welfare of the community and should remain in its present configuration;

NOW, THEREFORE, BE IT RESOLVED that the Town Council of the Town of Chapel Hill endorses the following:

SECTION I

Each jurisdiction shall in the exercise of its land use, zoning, and police powers, adopt plans, policies and/or ordinances that will protect the visual character of Smith Level Road as a significant entranceway into the community, especially its views, vistas, and forested and open areas, without being required to get the approval of the other entity.

SECTION II.

Each jurisdiction agrees that Smith Level Road, because it is important to the general health and welfare of the community, should remain a two-lane road between Rock Haven Road and Starpoint in order to protect its entranceway character and to serve as the boundary line for the University Lake Watershed. The jurisdictions will cooperate with each other in protecting this entranceway.

This the 19th day of April, 2023.
