(Rezoning from Office/Institutional-2 (OI-2)) to Office/Institutional-3 (OI-3))

AN ORDINANCE AMENDING THE CHAPEL HILL ZONING ATLAS FOR THE PROPERTY LOCATED AT 100 EASTOWNE DRIVE TO OFFICE/INSTITUTIONAL-3 (OI-3) (ORANGE COUNTY PARCEL IDENTIFIER # 9890-80-0195; PROJECT 18-029)(2018-##-##/O-#)

WHEREAS, the Council of the Town of Chapel Hill has considered the application from Health System Properties, LLC to amend the Zoning Atlas to rezone property located at 100 Eastowne Drive and Orange County Parcel Identifier Number 9890-80-0195 and as more fully described in Section I below from Office/Institutional-2(OI-2) to Office/Institutional-3 (OI-3)and finds that the amendment, if enacted, is in the public's interest and is warranted to achieve the purposes of the comprehensive plan:

- **A Place for Everyone:** Redevelopment of this site will add new medical offices to the Town's inventory. The new medical offices will allow for improved levels of medical service to the citizens of Chapel Hill and surrounding areas. Development of the site will also include structured parking which will allow for vertical development of the parcel to lessen the environmental impacts typically caused by areas of sprawling surface parking with associated land disturbance and run-off.
- **Community Prosperity and Engagement:** Development of new, energy-efficient, modern medical office facilities will add to the prosperity of the Chapel Hill community by allowing denser non-residential growth in the North 15-501 Area as described in the Chapel Hill Community Plan while requiring minimal additional services.
- **Getting Around:** This redevelopment project is located adjacent to an existing major transportation corridor, US 15-501, which will allow for easy ingress and egress. As this site is currently being utilized for nonresidential purposes, the redevelopment will minimize the negative impacts typically associated with new development, such as increased traffic, clearing and grading, and removal of existing mature vegetation.
- **Good Places, New Spaces:** The Eastowne redevelopment will add new, modern medical offices to a site that is currently occupied by older, obsolete buildings. The new buildings will be designed to meet the requirements of the Land Use Development Ordinance which will allow for the development of interesting buildings and spaces to serve the citizens of Chapel Hill and surrounding areas.
- **Nurturing Our Community:** Redevelopment of the subject parcel will enable the construction of upgraded structures, as well as an upgrade on all associated site improvements, such as stormwater controls, impervious surfaces, landscaping, open spaces, etc.
- **Town and Gown Collaboration:** Modern medical office facilities will allow UNC Health Care to better attract young talent to keep them in and around Chapel Hill after graduation. The new buildings will also meet all accessibility requirements so that all citizens are able to utilize the facility without the issues typically found in older office buildings.

NOW, THEREFORE, BE IT ORDAINED by the Council of the Town of Chapel Hill that the Chapel Hill Zoning Atlas as follows:
