Good afternoon. I am unable to attend this meeting tonight because I have a class but wanted you to know I am very interested in the zoning designation for the land that butts up to the fox meadow neighborhood. I have sent my comments to Marty Roupe and am against the zoning change to make this anything other than single family housing or better yet, a park.

Thank you

Good afternoon,

The Town of Chapel Hill Town Council will receive an update this Wednesday from the consultant and Town Staff regarding the Rogers Rd Zoning Initiative. No action will be taken at this meeting, instead it provides a chance for the Council to learn about the initiative, provide feedback, and hear public comments.

The meeting will begin at 7pm on Wednesday, February 20th. A copy of the agenda is attached to this email. If you have any questions, please let us know.

Sincerely,

Michael Sudol, Planner II
