

## **11-10-2021 Town Council Meeting Responses to Council Questions**

### **ITEM #3: Adopt a Calendar of Council Meetings through June 2022**

#### **Council Question:**

Can we consider not having a meeting on Feb 9th? It's very challenging to prepare for a meeting the same week as the retreat since the weekend is already committed.

#### ***Staff Response:***

As we were drafting the schedule the staff purposefully avoided having a Council Meeting on February 2<sup>nd</sup> in order to lessen the workload on staff and Council in advance of the retreat. We also scheduled a work session for February 9<sup>th</sup> instead of a regular business meeting, to reduce the amount of preparation needed in advance of the meeting. However, Council can decide to remove that work session from the calendar if it chooses to do so.
