

03-04-2020 Town Council Meeting
Responses to Council Questions

ITEM #3: Amend Chapter 12, Article II of the Town Code of Ordinances to Amend the Membership and Charge of the Parks, Greenways and Recreation Commission with Regard to the Cemeteries Champion Seat and Interests

Council Question:

As a result of this change, can periodic updates be provided to the Parks & Rec Commission on the state of the cemeteries in Chapel Hill?

Staff Response:

Staff will propose to the Commission that a standing agenda item related to Cemetery Updates be added to every other month's agenda. This will help to ensure that the Commission continues to become more aware of cemetery initiatives and needs and that the public has a body to come to with their requests and concerns. We will also reach out and ask for the Commission's recommendations related to any major cemetery issue that may arise.
