ITEM #6: Convene an Evidentiary Hearing for a Special Use Permit at 207 and 209 Meadowmont Lane

Council Question:

For the Executive Summary Trade-offs section, can you provide information on what the requested modifications are and trade-offs made (if any)? I see increases in maximum parking and residential units. Anything other changes?

Staff Response:

We will address this in the presentation and there is further detail on page 104 of the packet, Requested Modifications to Regulations.
