### **ITEM #12: Appointment(s) to the Community Design Commission**

**Council Question:** It appears as though Bennett Dansby's preference is for the Planning Commission. What is the status of his application for the Planning Commission?

**Staff Response:** *There are currently no vacancies on the Planning Commission at this time. When a vacancy occurs, or during the spring appointment period Mr. Dansby's application will be shared with the Planning Commission for the board's consideration in making a recommendation to the Council. Mr. Dansby's application is eligible as of July 19, 2018, and will be good until June 30, 2019 or until it is withdrawn.*
