Mayor & Council:

I would like to have some concerns about safety around the IFC addressed at your upcoming meeting with their staff. I understand that men can be turned away from the shelter for several reasons. This results in individuals walking around the Homestead/MLK areas with no place to go, often it is passed times when the buses are running. There have been several pedestrians hit & even killed by automobiles in this area. What is IFC doing to address this issue?

I have come upon several an individuals dressed in black walking on the wrong side of Homestead. This has added to the stress of driving this area in addition to the deer! 😊

Thanks for your attention.

Mayor and Councilmembers:

I urge you to approve the revised IFC Good Neighbor Plan. IFC Community House and its residents have proven to be good neighbors over the past 8 years. The current Good Neighbor Plan is too restrictive and unnecessary. It prevents IFC from providing the kind of service that is needed. Men experiencing homelessness in our community deserve more. As a resident of a neighborhood near Community House, a

member of United Church of Chapel Hill, and a former IFC employee, I appreciate your consideration of the revised plan.

Thank you for your service to the town.
