

## Limited Scope SUP Modification Request

- Adjust Permitted Uses to confirm climate controlled self-storage is permitted on Block G
- Adjust Permitted Uses to allow gasoline sales as a stand-alone use on Block A, B or C (Note: Gasoline sales is currently allowed as an accessory use on all blocks)
- Adjust SUP modifications to section 5.14.12 with the gateway signs to allow additional tenant panels that can be displayed (Note: currently limited to 5)
- Adjust SUP modifications to sign sections 5.14.11, to reduce commercial SF thresholds allowing the already approved modifications to 20,000sf (Note: current threshold is 25,000sf)
- Remove condition to extend Public Street A beyond its current termination point
