

Hi, my name is Alicia. I have lived in the trailers for 9 years. I moved from some apartments because they were too expensive. I have 3 children that go to Smith Middle School and East Chapel Hill High School. I don't know how to drive and I depend on the bus to go to work and when I have medical appointments and to school. I don't want to leave from these trailers because I don't know where I would go. I believe that there isn't any place where I would pay what I am paying now. I earn \$18,000 per year and I don't believe that I could pay for an apartment that costs \$1000 per month. One of my daughters is in the 11<sup>th</sup> grade and in school and they are helping her to look for college grants. I am afraid that these services that they are giving her would be interrupted if we have to leave and maybe change schools. If they are going to remove us, please help us relocate here in the area of Chapel Hill, because this is our home. Thank you.
