**Responses to Council Questions**

**ITEM #7: Receive Annual Compliance Reports for July 1, 2019 - June 30, 2020 for the Carolina North, Glen Lennox, and Obey Creek Development Agreements**

**Council Question:**

Part of the Obey Creek DA executed in 2015 was the authorization of an exchange of town-own land within the Obey Creek site for the Wilson Creek Preserve property. Did that exchange ever take place? If so, has the preserve been protected by a conservation deed as required in the DA?

***Staff Response:***

*The exchange of the property has not taken place.*
