Subject: Council Questions: Item 5: Roundabout at Mt. Carmel Church Road and Bennett

Council Question: Are there any noticing requirements to nearby parcel owners associated with this agreement/action? If so, what is the statute or ordinance that lays those out?

Staff Response: *This item specifically involves Town-owned property and does not directly involve any adjacent private property owners. However, NCDOT has contacted all surrounding property owners via mailed postcards to notify them of the project and of an informational public meeting that was held at Culbreth Middle School on June 16th, 2016. All state Department of Transportations are required to follow 23 CFR 450.210 – Interested Parties, Public Involvement, and Consultation.*
