To Chapel Hill Leadership,

We are writing to let you know that we've come to an agreement with Longfellow to move out of 306 West Franklin Street in Summer 2024. We will be moving to a new location further down West Franklin.

We are going to do everything we can to create a new community space that is even better than our existing space. We want more than anything for Franklin Street and downtown to live up to its potential. We will no

longer push back against the Longfellow project and instead will focus on creating a new community space further down West Franklin Street.

We encourage town leadership to do more to support local small businesses that will help Chapel Hill retain its local flavor instead of encouraging development that causes hardship for the local small businesses we do have. We also encourage you to continue to evaluate the architectural direction of downtown Chapel Hill. We think a charming, authentic downtown is a big part of what makes Chapel Hill such a desirable place to live - we should do more to protect this.

With Love,

Taylor Gilland, Paula Gilland, and The Purple Bowl
