## **PROCUREMENT OF SPECIALIZED SERVICES**

2. If the Municipality causes the professional engineering services required by this Agreement to be performed by contracting with a private engineering firm and seeks reimbursement for said services under this agreement, it is agreed as follows:
  - A. The Municipality shall ensure that an engineering firm is obtained through an equitable selection process and that prescribed work is properly accomplished in a timely manner, at a just and reasonable cost.
  - B. The Municipality, when procuring architectural, professional and engineering services, must adhere to North Carolina Department of Transportation Policies and Procedures for Major Professional or Specialized Services Contracts. This policy conforms to N.C.G.S. 143-64.31 and 143-64.32.
  - C. The Municipality shall submit all professional services contract proposals to the Department for review and approval prior to execution of the professional services contract by the Municipality. In the event that the professional services contract proposal (engineering) exceeds \$30,000, a pre-negotiation audit must be requested from the Department's Office of Inspector General (OIG). A pre-negotiation audit of a contract under \$30,000 will be performed by OIG if the Municipality requests it.
