I have just returned from the Santa Fe Folk Art Market, where I was reacquainted with my "roots." ## Ethics Statement

## ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

---

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

## Interests & Experiences

### What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

---

The perspective I bring to the board (Environmental) and commission (Art) is one of a recently graduated student from UNC-Chapel Hill. I am an individual who has a great drive, a lot of energy, and many, many ideas with realistic plans on how to successfully execute with minimal resources. Though I am only 21 years of age, I have been fully independent and self-sufficient since I moved to Chapel Hill at 17 years old to begin pursuing higher education, a feat which no one in my family has done -- until now! I am extremely aware of the environment around me, and I believe others could be too if they were presented with clear, interactive, while non-obstructive, displays that effectively communicated the relevant goal (ex: encouraging the following of Chapel Hill's ban on smoking in public areas -- trust me, I have ideas for either board/commission where this could apply and would love more than anything to share them with the powers that be). For further context on who I am, I host my own room as an Airbnb (I sleep on a futon in the living room while maintaining a shared bathroom with my guest(s)), and I have been very successful in making connections, learning how to accommodate those of diverse backgrounds, and gaining knowledge that others possess. No one knows everything, but I know that by involving myself with people in seemingly non-traditional ways I am affording myself experiences and knowledge which others are unfortunately missing. I am more than ready to share my cumulative perspective as a student, a host, an LGBTQ+ advocate, a bilingual soccer coach, and all-around passionate guy with either (or both!) the board or commission so that who I am and what I know may transfer to the greater community around me in an impactful, lasting, and positive fashion.

**Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.**

I am a punctual individual, and I pride myself on being early to commitments and meetings, viewing it as considerate to the others with whom I am involved. I am able to integrate my ideas with others so that everyone is on the same page, using the power behind multiple brains to accomplish a common goal. I am energetic, willing to go above and beyond to fulfill the paths that are laid out. I am a problem-solver, always thinking ahead and aiming for efficiency and seamlessness in all avenues. I am interested in the environment, and I want more than anything for others to care about its well-being as much as I do. I am interested in the arts, and I would love to see a greater understanding of how it is as relevant today as it was thousands of years ago in advancing our culture -- and explaining exactly what culture means. I am skilled, I am able, I am interested, and I am experienced. I hope that you will recognize that I am ready to take on new tasks, and I want to get our community involved in whatever calling they feel is relevant to them. As a Biology (BS) with two minors (Chemistry and Spanish for the Health Professions) who is going on to be a big cat veterinarian, I cover many bases and know that I can work to unlock the potential of others in a way that positively impacts not only the town, but the world.

I have always been involved and active in the arts since I was a young child. I believe cultural arts are a critical component for society, including our societies youngest and most disadvantaged members. I believe that it is important that we create policies and fund initiatives that create accessibility to the arts for all.

Arts, advocacy and art advocacy has been interwoven into my entire professional life. I began my career as a professional stage manager while also working with NYC school children as a teaching artist. I later earning my Master's Degree from NYU in Arts Administration, with focus on non-profit arts management. I leveraged these skills serving as a Business Representative for Actors' Equity Association, the union representing Actors and Stage Managers working in the theater, where I advocated for the Off-Broadway community. During my time at the union, I ran and participated in many committees and task forces assigned for different projects, including arts policy. I now work as an Associate Director of Patient Services, where our program mission is built around keeping our patient as the North Star.

## ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

---

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. ### What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

I have a track record of collaborating with a variety of people in different environments and making improvements to existing processes. I also bring a holistic mindset to the table through my experiences listening to and integrating the needs of clients of various backgrounds while working as a Brokerage Investment Professional for Vanguard in Charlotte. My educational background in finance also supports me in taking a financially practical approach when making recommendations.

**Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.**

I am interested in serving on either the Greenways Commission or Arts Commission because they are two areas I have a strong interest in. I am a strong proponent of recreational spaces for the public to enjoy. I worked as a personal trainer for University Recreation while attending NC State and often use greenway trails to run or bike. I have also always had an interest in arts. I obtained a minor in journalism while attending NC State and have experience in journalistic writing for the Flyers Focus newspaper at Sandhills Community College and video/radio presentation for the Broadcast Meteorology Club at NC State. Last year, while I lived in Charlotte, I served on the production crew for Elevation Church's uptown campus. I also have a personal interest in music and am teaching myself piano and guitar. In school, I played the violin and trumpet (marching band) performed in musicals, and sang in youth choir. I have always enjoyed serving the community I live in and I intend on being in Carrboro/Chapel Hill for at the least the next several years, as I currently work at UNC and am contemplating attending grad school at UNC in the next year or so and I am seeking ways to serve this great community.

I am a photographic artist and former professor of art. I recently returned to Chapel Hill after previously living here from 1996-2005, during which I served on the Chapel Hill Public Arts Commission from 2001-2004. I am now a downtown resident with a strong interest in how the arts can be used to continue to enhance the culture of our community.

I have worked extensively with organizations and committees related to visual and performing arts, both at universities and in communities. ### What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

---

I would bring to the Cultural Arts Commission a perspective that includes an understanding of the value of arts to primary education, the value it brings to well rounded learning and integrated learning for our young people. I have served on the Board of Directors for EmPOWERment, Inc, which included in its mission the development of youth of our communities. Eleven years of service on the CHCCS Board of Education will also bring a skill set and perspective about arts enrichment and the value of learning about the arts in one's community/environment. I understand the value of collaboration between community arts partners, artists and the public schools. I believe in the beauty of our community and the value the arts play in making ours a viable economy and wonderful place to live.

## ETHICS GUIDELINES FOR TOWN ADVISORY BOARDS AND COMMISSIONS

---

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. In addition, members of the Historic District Commission and Board of Adjustment, when these boards are hearing cases, serve as quasi-judicial bodies. Pursuant to State Statute 106A-388(e)(2), members of these boards “shall not participate in or vote on any quasi-judicial matter in a manner that would violate affected persons’ constitutional rights to an impartial decision maker. Impermissible violations of due process include, but are not limited to, a member having a fixed opinion prior to hearing the matter that is not susceptible to change, undisclosed ex parte communications, a close familial, business, or other associational relationship with an affected person, or a financial interest in the outcome of the matter.”

Any member who violates these Ethics Guidelines may be subject to removal from the board or commission. If the advisory board or commission member believes he/she has a conflict of interest then that member should ask the advisory board or commission to be recused from voting. The advisory board or commission should then vote on the question on whether or not to excuse the member making the request. In cases where the individual member or the advisory board or commission establishes a conflict of interest, then the advisory board or commission member shall remove themselves from the voting area. Any advisory board or commission member may seek the counsel of the Town Attorney on questions regarding the interpretation of these ethics guidelines or other conflict of interest matters. The interpretation may include a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The advisory board or commission member may request the Town Attorney respond in writing.

## Interests & Experiences

### What perspective(s) do you bring to the board(s), commission(s), committee(s) or task force(s) to which you are applying?

---

I will bring a unique and fresh perspective; for 25 years, I lived in Highland Park, IL, where I was very much involved in its vibrant art scene. I have been a planner of large and medium sized arts events, an art student for many years, and an active board member of the local art center. For 10 years I was a major part of the planning and execution of Focus on the Arts, a renowned three day/four evening high school and community arts festival with over 250 artists and 500 volunteers. Through my volunteer and professional work, and raising four children who love the arts, I understand the importance for a community to have a rich and accessible arts life that reaches all community members, and the meaningfulness of exposure to the arts from a young age.

### Please provide a brief summary of any other relevant qualifications (skills, abilities, interests and/or experience) you bring.

---

I was a hands-on and very involved member of the board of directors of The Art Center, where I helped plan their annual gala, Festival of Fine Arts, and Recycled Art Fair. With Focus on the Arts, I helped create large and small scale programs for students and community members, with artists from all genres. As a recent part of Focus, I created the Social Justice in the Arts program; the idea, programming, and found culturally diverse artists with the goal of reaching out to all students. I have used the arts in my professional work to teach people meaningful lessons. I am fortunate to have grown up in a home where art was valued and I was exposed to the arts. I have been on the Highland Park city housing commission, and have taken countless art classes, and created, shown and sold my own art for many years. In the 10 wonderful months I have lived in Chapel Hill, I have been thrilled with the exciting visual, literary and performing arts I have experienced.
